

THE PARENT AIDE PROGRAM

Strengthening Families

The **Parent Aide Program** focuses on effective skills for healthy parenting.

Our expertly trained Parent Aides strengthen the family unit, encouraging problem solving, bonding, and skill building within the family.

Who we serve:

Families with at least one child 12 years or younger

Outcomes of the Parent Aide Program:

Reduction in parental stress

Reduced risk for child abuse or neglect

Improved parenting, problem solving, and life skills

Provides community resources and support through home visitations

Case management for parent's goal objectives
