

Job Description— Child and Family Therapist

Qualifications:

- Master's degree in Social Work, Counseling, or a closely related field from an accredited program with the appropriate North Carolina licensure (e.g. LCSW, LPC, etc.)
- An understanding of the victimization of children and adults and a desire to protect and support families
- An ability to communicate ideas clearly, listen accurately, and establish rapport with diverse populations

Supervision:

- Chief Operating Officer

Essential Duties:

- Delivers best practice intervention by interviewing, assessing, developing, and implementing goal plans, evaluating services, and documenting service delivery
- Provide crisis intervention services and assist families in creating and implementing a safety plan
- Demonstrates clinical skills with individuals, families, and groups.
- Advocates on behalf of families to ensure smooth access to services
- Maintains an accurate written record of contacts and assists with the tracking and compilation of data and reports in a timely manner
- Monitors and evaluates program outcomes in compliance with best practice models
- Extensive collaboration with community-based agencies
- Promote a positive image of the Parenting PATH and demonstrate an ability to work and execute responsibilities as part of a community and agency team, including participation in agency events
- Other duties as assigned

Work Environment and Physical Requirements:

- Ability to work flexible hours to accomplish the job, including evenings and weekends.
- Ability to travel between various locations to promote the program
- A valid North Carolina driver's license with proper insurance coverage
